

Parachute Advansed butter smooth launched this winter

Indulge your skin with 100% natural moisturizers and coconut butter to make your skin smooth

Mumbai, December, 2013: Treat yourselves to Parachute Advansed Body Lotion, which helps you naturally rediscover smooth skin with its new variant- **Butter Smooth**. Parachute advansed butter smooth is a body lotion with rich creamy formulation enriched with coconut butter specially developed for harsh winters.

Enriched with the goodness of coconut butter, this variant doubles your moisture content in 2 hours. Parachute advansed butter smooth is an addition to the existing range of PABL Soft touch, deep nourish and summer fresh.
